## GILLBURN GRANGE, JACKTON

# The perfect place for you to call home.

Gillburn Grange is an exclusive development in Jackton, South Lanarkshire, offering luxurious homes in a peaceful setting.

Designed to work in harmony with the rural surroundings, Gillburn Grange combines panoramic views with established treelines. A newly landscaped village green lies at the centre of this attractive new neighbourhood, while the Gill Burn meanders through the countryside close by.

With up to 2,200 sq ft of flexible living space indoors and out, Gillburn Grange features some of our most spacious homes, designed to adapt to your changing needs now and in the future.

Located to the south of Thorntonhall and west of East Kilbride, Gillburn Grange is a welcoming haven. A wonderful place where your family can live, play and flourish.

## Our design philosophy.

Moving into a new home should be one of life's most defining moments. A day that you will always remember, the day when you started a new life in a new community that was created with you in mind.

At Stewart Milne Homes, we go the extra mile to create special places where people want to live, both now and in the future. Our designers seek to establish communities rather than developments, homes rather than houses.

We consider the character of the local area, from landscapes and natural materials to the natural environment – to create unique and sympathetically designed communities that will nurture and enhance both spirit and soul for many years to come.

Our carefully considered new home designs have been created to meet the changing needs and changing lifestyles of families today.

Our homes are rooted in our design principles by being luxurious and spacious with a focus on elegant simplicity. Our homes provide versatile and flexible space, both indoors and in how you will connect with the outdoors while being supremely functional.

Homes designed not only to meet your needs, but also to allow you to express your character and enrich your life.

And that, in short, is what moving into a new home should be all about. So now let us show you something of the new life you can expect to live here at Gillburn Grange in the welcoming community of Jackton.

## Jackton: Your new neighbourhood.

The peaceful village of Jackton lies alongside the Gill Burn in South Lanarkshire, to the west of East Kilbride. Connected to Eaglesham by the B764 (also known as the Eaglesham Road), Jackton is to the south of the attractive village of Thorntonhall.

Jackton is well served by rail, with Thorntonhall station just 2 miles away to the north and Hairmyres station just 1.5 miles to the east. The village is also connected to local bus services and lies within a ten minute drive of East Kilbride. Glasgow is less than thirty minute drive to the north.

A newly landscaped central village green provides a focal point for the new Gillburn Grange neighbourhood, which incorporates mature trees and takes advantage of the contours of the land to offer spectacular panoramic views. Play areas, green spaces and winding walking and cycle lanes provide ample opportunity for the whole family to savour this enviable location. Schooling provision is already in place with Crosshouse Primary School, Mossneuk Primary School and Duncanrig Secondary School, with new nursery and primary facilities as well as small retail stores planned for the future.

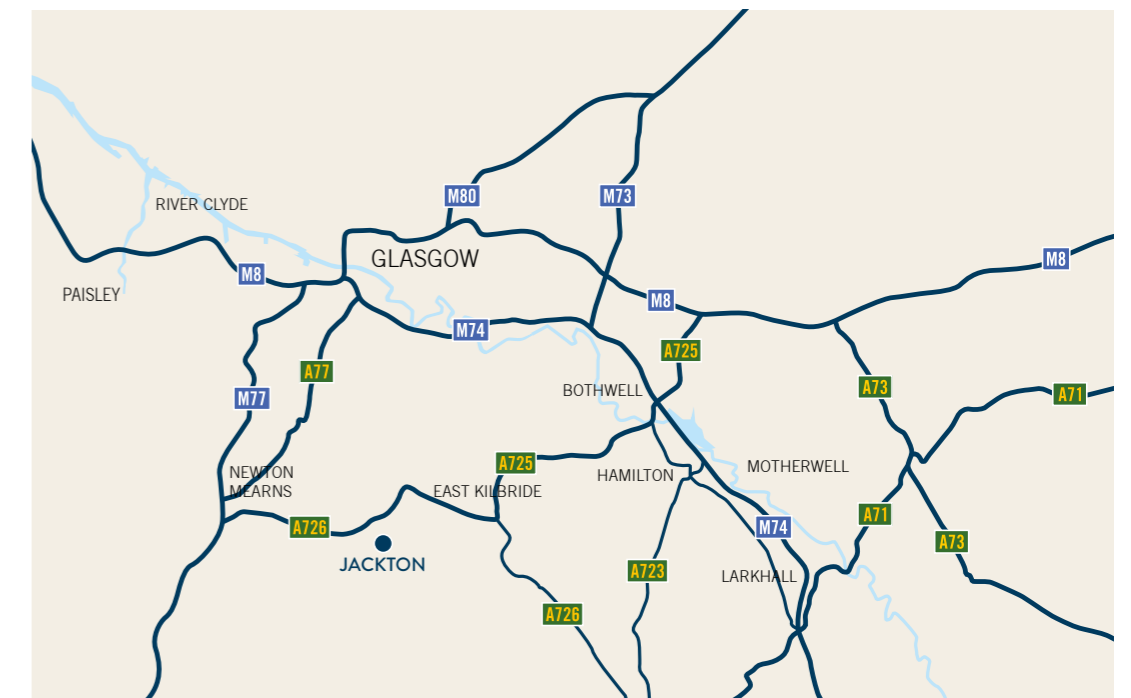

In nearby East Kilbride, you'll find extensive shopping malls as well as cinemas, gyms, an ice rink, climbing wall, Dollan Aqua Centre and other leisure facilities in addition to a range of restaurants and bars. James

Hamilton Heritage Park is a highly rated local attraction offering an adventure playground and a range of water sports as well as a pleasant 1.2km waterside walking route centred on a 16 acre loch.

Nearby, Calderglen County Park offers woodland walks that reveal the ruins of both Calderglen Castle and Craigneith Castle, as well as a zoo and tropical conservatory, adventure play facilities, and an 18 hole golf course.

Several other golf courses lie nearby, including the Mearns Castle Golf Academy and Bonnyton Golf Club. The Parklands Hotel and County Club lies a fifteen minute drive north west from Jackton, while a fifteen minute drive to the east brings you to the MacDonald Crutherland House Hotel and Spa.

The National Museum of Rural Life at Killochside, is less than ten minutes away by car, and provides a fascinating insight into the workings of a local farm in the 1950s, while kids of all ages can get hands on with the interactive exhibits at the Whitelee Wind Farm on nearby Eaglesham Moor.

## Gillburn Grange: A new home for a new era.

Within Gillburn Grange we've created a new and exclusive selection of homes that have all been carefully designed by our award-winning architects to ensure each home meets your aspirations.

The homes at Gillburn Grange comprise a choice of 3, 4, 5 and 6 bedroom detached family homes.

Our new 'Villages' range of homes have been re-imagined and re-designed to meet the needs of contemporary living. You'll find spacious interiors, stunning kitchens and attractive exteriors to suit buyers from young couples starting out to growing families and professionals.

Reflecting our new design ethos, every single aspect of your home has been revisited through the twin lenses of simple elegance and supreme functionality. All of the homes are light and airy with large windows and French doors to your private garden plus well-planned

living and social areas for entertaining and relaxing. All homes also include a utility room and most with garden access, ideal for muddy boots after a long country walk.

The grand master bedrooms are all en-suite, while separate showers are included as standard in the family bathrooms for our 4, 5 & 6 bed homes. And with the need for versatility in mind, now and in the future, many homes offer potential for a home office, study or playroom.

And finally, each home is carefully positioned to optimise the views and the light and comes complete with many bespoke exterior details to complement the picturesque countryside setting of Gillburn Grange.

## Inside your new home: A closer look...

As soon as you step inside a Stewart Milne home, you'll feel the difference. This is special. A home where clever design achieves the perfect balance between elegance and practicality; where our renowned attention to detail ensures a spectacular level of finish throughout.

## Let's start in the kitchen...

The kitchen is the heart of any home and it's likely this is where you'll head first as you explore. For most families it's the busiest, hardest-working room in the house, so we've designed each of our kitchens to be particularly spacious and located it in the optimum position. Details will vary depending on house style, but the common factor is that we've thought about how you'll use the space, and designed it to work perfectly for you. Practical connections to a dining room or family room, and access to the garden through French doors, combine to make the kitchen more welcoming than ever. To cater for different needs – our homes feature either a separate formal dining room or we combine the dining area into a large open kitchen/ dining space that's great for family and friends alike.

Depending on the home you choose\*, the final specification† will vary, but your expertly crafted kitchen will typically come with a beautifully designed stainless steel gas hob, multi-function oven, cooker hood, integrated fridge/freezer – and even microwaves and dishwashers in most of the detached homes.

Of course, your home needs to be functional as well as comfortable so all homes have a separate utility room, most with direct access to the garden, complete with plumbing and wiring for a washing machine and dryer.

*\*Choice of kitchen is subject to build program. †Choice of fittings is subject to build program. Information is correct at time of going to print, but is subject to change. For more information speak to one of our team of sales consultants. The specification included in this brochure, or included in the leaflet which accompanies this brochure, gives a general specification applicable to this development. Please check the specification relating to the individual plot that you have chosen, with our sales consultant at the time of reservation.*

## Next stop, the family living room...

For welcoming friends and entertaining or for relaxing at the end of a long day, this is a space to really enjoy. We've designed the living areas to make the very most of the sunlight, with large feature windows in selected homes, French doors that open out onto a patio to provide a lovely inside-outside living space to all homes.

## Moving on to the upstairs now...

The Gillburn Grange 'Villages' range of homes includes 3, 4, 5 & 6 bedrooms, varying from luxurious master suites to cosy single rooms. Every home comes with an excellent specification of finish including built-in or walk-in wardrobes to master bedrooms and bathrooms and en-suites with luxury tiles and contemporary sanitaryware.

All bathrooms and en-suites are designed with indulgence and pampering in mind. This will include, wherever possible, large showers and in our larger homes, rain fall showers and tall chrome heated towel rails. We provide a superb choice of co-ordinated Porcelanosa tiling and, in many homes, fitted vanity furniture for the family bathroom and master en-suite.

Several homes also have an additional en-suite bath or shower room added to the guest bedroom – again all available with a choice of tiling.

## Finally, lets look around outside...

Depending on the home you're visiting, there'll be more to explore outside – such as turfed and landscaped front gardens and smart mono bloc driveways. Whatever the location and the specifications, you'll find the exterior space as attractive and as welcoming as the inside of the home – although naturally a new garden needs a little nurturing and time to mature and look its best.

To ensure that the common landscaped areas are kept in pristine condition, a factor will be appointed who will even arrange for the grassed private front lawns to be cut to ensure that the value of your investment is protected; a small monthly maintenance fee is applicable.

## A new home: It means so much more...

With our new homes, there are countless designs and styles to choose from – something for everyone to love. But there are several major features and benefits that are common to all our homes – so we've summarised these here for you. Really, what more could you want?

Eight great reasons to make your new home a Stewart Milne home.

### 1. The quality of the build

At Stewart Milne Homes, we pride ourselves on building innovative and high quality homes. Each home is built to exacting standards with quality and attention to detail at the core. We use a high level of specification in all materials, apply superior craftsmanship at all times, and adhere to high building standards so you can enjoy living in a safe and secure environment.

### 2. The 10-year NHBC Buildmark warranty

Each home is quality checked at various stages of its build and inspected by the National House Building Council (NHBC). As a result, all our homes come with a 10-year NHBC warranty so that you can enjoy the kind of peace of mind that someone choosing to buy a second-hand property simply does not get.

### 3. The unique, distinctive community

Moving to a brand new home is an opportunity to be part of an exciting, new community. We have an unrivalled reputation for creating individual, communities that reflect local characteristics and surroundings. Stunning streetscapes and people-shaped places combine to create communities built with your needs in mind. Today, arguably more than ever, it's vitally important to us to offer you great places to live now and in the future.

### 4. The elegant, functional design

Our new homes are designed to meet the changing needs of families. Our designers have carefully thought through how people use their homes today. The result is new homes that are more elegant, spacious and functional. Homes that provide more flexible space, indoors and out, including direct access to the rear garden from kitchens and utility rooms, and the option of a home office on the ground floor. Homes fully fitted and truly designed to cater for a contemporary, luxury lifestyle.

### 5. The energy efficiency savings

Compared to a second-hand home, a new home is on average six times more energy efficient. Due to the excellent insulation in our new homes, the savings you can make will amaze you. At the heart of the central heating system is a modern, highly efficient, environmentally responsible gas boiler, while thermostatic radiators provide independent control in every room. Many of our homes now feature energy-efficient PV solar panels fitted to the roof.

### 6. The fittings and features

Your new home comes complete with high quality fittings and finishing throughout. Internal walls and ceilings are painted white, and elegant white panelled doors are fitted with attractive chrome lever handles, chrome hinges and latches. While kitchens feature premium appliances and stylish units with soft closing drawers – little things that help make a house a great home. What's more, all our homes are wired with an abundance of well-placed socket outlets, and telephone, TV and USB points, while smoke and heat detectors are directly wired to the mains.

### 7. The option to personalise

When you reserve your new home early, you will have an opportunity to choose many of the fixtures and fittings that are to be included from kitchen doors and handles to vanity cabinets, worktops and tiling. We can help you to make your new home look and feel exactly how you want it to, with minimal fuss.

### 8. The benefits of buying new

Buying a new home also eliminates the need for renovations, repairs or DIY, meaning you can spend more time doing the things you love. Everything in a new home is clean and untouched by previous owners. Our new homes are decorated in 'neutral' colours giving you a blank canvas to stamp your own personality on from day one. And, of course, you can move into your new home as soon as it is complete, there is no need to wait around for the existing residents to vacate!

## Specifications

All homes designed and built as part of Gillburn Grange, Jackton form part of our Villages collection, which are subject to design and specification amendments at any point. As such, please ask your sales consultant for the full specification details of your chosen home.

## Floor Plans

The floor plans in this brochure show approximate dimensions for each room of a typical house of its type which may vary slightly, within NHBC guidelines, as each house is built individually. Some properties are built handed (mirror image) to those shown. Door, window, garage door and elevational treatments may vary to provide interest within the development. Please ask us for details of the specification of your chosen home and the technical specification, which may have changed since printing. Details are for guidance only and do not constitute a part of any contract, nor do they constitute an offer. While the particulars have been prepared with care and are believed to be accurate, no liability for any errors or omissions therein or the consequences thereof will be accepted by Stewart Milne Group.

## Photography

Images shown reflect the varying styles and sizes of typical Stewart Milne homes. Images do not necessarily represent the actual finish/elevations or treatments, furnishings or fittings at any individual development. For details of specific finishes for individual developments and homes, please contact us. The area surrounding each home will also differ from that shown in the photograph. Note: The house type images are computer generated. We use these to illustrate a new home when we do not have actual photography to use before the brochure goes to print.

## Showhomes

All showhomes are decorated and furnished to reflect a possible lifestyle. Certain items of furniture, fixtures and fittings, both inside and out, are not included in the standard specification. Should you require any clarification regarding the standard specification of your chosen home please ask your sales consultant.

## Development Plan

The development plan is for illustration purposes only. The layout is not to scale and is an indication only of the relative positions of properties and landscaping. While the particulars have been prepared with care and are believed to be accurate, no liability for any errors or omissions therein or the consequences thereof will be accepted by Stewart Milne Group. Please note that the development plan was drawn before building started on site. Whilst it is always our intention to build in accordance with this plan, there are occasions when boundaries and layouts may change as the development proceeds. Please check the details of your chosen plot with our sales consultant when you are making your reservation. The deed plan will be sent directly to your solicitors and should be inspected by you.
